

HUNTINGTON HUB USER GUIDE

Spend Setter

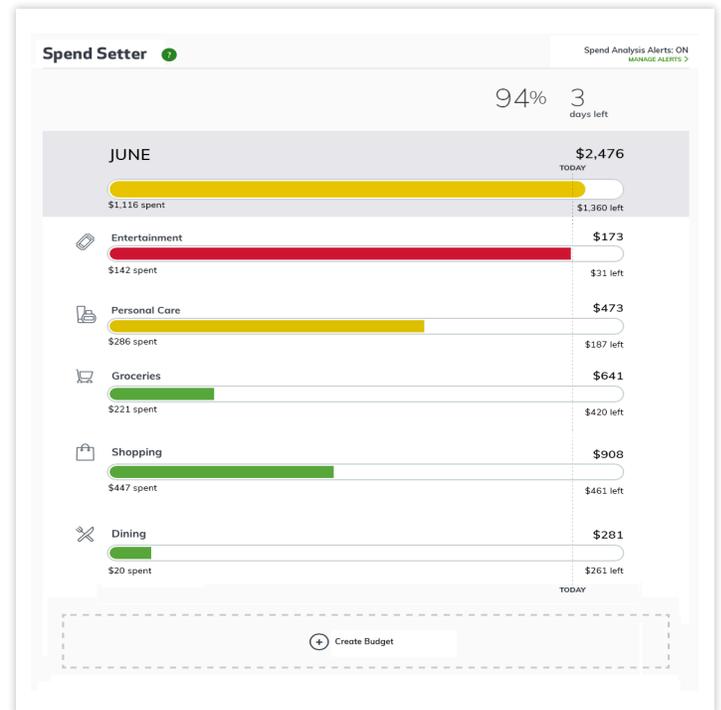

Spend Setter lets you set budgets to track what you've spent and how much you have left to spend.

Overview

Quickly see where you stand with your overall budget for the month, including amount spent to date, amount left to spend, percentage of budget spent and number of days left in the month. Spend Setter includes transactions from your Huntington checking and credit card accounts.

Detail View

Select any budget category for details, which will show a bar graph of how much you've spent and your average spending. Plus, you can view up to 12 months of history.
