

HUNTINGTON PREMIER SAVINGS ACCOUNT

PERSONAL ACCOUNT CHARGES FORM

1 EVERYDAY TRANSACTIONS

Monthly Minimum Balance Fee	\$4.00	Avoid the fee by (i) linking this Account to an Asterisk-Free checking account or a Private Client Account or (ii) maintaining in the account an average daily balance of \$300 for the calendar month, if you receive quarterly statements, or for the statement cycle, if you receive monthly statements. We calculate your average daily balance by totaling the balances in your account from the end of each day in your statement cycle, and dividing that amount by the number of days in that statement cycle. However, for new accounts or closed accounts, we only count the number of days that the account was open during the statement cycle for purposes of determining the average daily balance.
ATM Fees	NONE	Huntington ATM transactions, transfers, and balance inquiry.
	\$3.00	Each non-Huntington ATM transaction; plus any fee charged by the ATM owner.
	\$1.00	Each Huntington ATM mini-statement.
International Transactions	3%	Fee charged on the amount posted for each debit card or ATM transaction processed in a foreign currency or outside the U.S., in addition to any fee added by a network or charged by an ATM owner.
Excess Debit Fee	\$2.00	Fee for each withdrawal or transfer (excluding ATM transfers, telephone transfers, Internet Banking transfers, and transfers to installment loans) in excess of six (6) per calendar month, if you receive quarterly statements, or six (6) per statement cycle, if you receive monthly statements.
Statements	Free	Have your statement delivered electronically or mailed to you.
Minimum Deposit to Open	\$50.00	Minimum deposit needed to open the account.
Interest Bearing	Yes	

2 OVERDRAFT AND RETURN FEES

Overdraft Fee Fee charged if we allow transactions to go through even though you don't have enough money in your account.	\$37.50	Per occurrence of an overdraft item, except \$23 for first occurrence in prior 1-year period. No overdraft fees unless final account balance for the day is overdrawn by more than \$4.99. Limit of 4 fees per day. Examples are overdrafts caused by in-person withdrawal, debit card purchase, ATM withdrawal or other electronic means.
Return Fee Fee charged when you don't have enough money in your account and we return an item (for example, a transaction is returned unpaid).	\$37.50	Per occurrence of a returned item, except \$23 for first occurrence in prior 1-year period. Limit of 4 fees per day. Examples are return of transfers or withdrawals by electronic means.

For both overdraft and return fees, an "occurrence" means a day for which there is at least one transaction in your account to cover, whether we pay or return the transaction and whether or not we charge a fee.

Remember, if we decide to waive a fee, the terms of the Account Documents will not change and we are not required to waive that fee again in the future.

See next page for more information >>

2 OVERDRAFT AND RETURN FEES - CONTINUED

ATM & Debit Card Transactions: We generally won't authorize ATM or debit card transactions when you don't have enough money available in your account unless you opt in to overdraft options for ATM and Debit card transactions. Learn more at <https://www.huntington.com/disclosures/REGEOODDISCLOSURE.pdf>

See your Account Documents under "Special Rules for Pending Transactions" for an explanation of how ATM and debit card transactions impact when we charge Overdraft Fees or Return Fees.

Sometimes, even if you have opted out of ATM and Debit card transactions, those transactions may cause an overdraft in your account even if there is not enough money available. In that case, we will NOT charge an Overdraft Fee. As a result, you may incur more Overdraft Fees from us when you opt in to overdraft options for ATM and Debit cards.

Other Types of Transactions: You have the option to request that we pay or return check or ACH transactions when there is not enough money in your Account. This election is separate from your opt-in or opt-out choice for ATM and Debit card transactions.

Remember, the decision to pay, return, or decline any transaction is at our discretion regardless of the elections you make.

TRANSACTION POSTING ORDER

On Business Days, we post deposits and credits first, followed by specific categories of debits, which may include ACH transactions and electronic transactions (such as Debit Card and ATM transactions). Fees and interest (if any) are posted last. Within the specific categories of debits:

- We post electronic transactions in chronological order by using the date and time assigned to the transaction and that date and time could be in a different time zone from where you are conducting the transaction.
- We post other transactions in low-to-high order based on amount within their specific categories.

We try and post debit transactions in the order in which you spent your money. Because the transactions involved in posting order can vary from customer to customer, the description above is generally how we handle transaction posting order. However, we may change our transaction posting order at any time in our discretion without notice to you.

24-Hour Grace®: For any business day that your account is overdrawn at the end of the day and one or more Overdraft Fees are incurred, we will waive those Overdraft Fees if your account is not overdrawn by more than \$4.99 at the end of the next business day. Any deposit to cure the overdraft must be made prior to midnight CT at the end of that next business day. In figuring the amount needed to cure the overdraft, remember to take into consideration other transactions, such as checks or other debits that may be posted to your account that will affect the amount needed to cure. We are unaware of these other transactions until they are presented to us for payment, and usually that is not until we finish processing after the end of that next business day. This means only you know all of your transactions that may affect the amount needed for 24-Hour Grace to apply. 24-Hour Grace does not apply to Extended Overdraft Fees or Return Fees, nor does it affect the number of overdraft occurrences for purposes of determining the amount of an Overdraft Fee.
