

HUNTINGTON PREMIER SAVINGS ACCOUNT

PERSONAL ACCOUNT CHARGES FORM

1 EVERYDAY TRANSACTIONS

Monthly Minimum Balance Fee	\$4.00	Avoid the fee when the total average daily balance is at least \$300 or you own an eligible checking account. We calculate the average daily balance by totaling the balances in your account from the end of each day in the applicable statement period (the calendar month, if you receive quarterly statements, or the statement cycle, if you receive monthly statements) and dividing that amount by the number of days in that period. However, for new accounts or closed accounts, we only count the number of days that the account was open during the applicable statement period for purposes of determining the average daily balance. An eligible checking account is owned by you and includes Asterisk-Free Checking, Huntington Perks Checking, Huntington Platinum Perks Checking, or Private Client Account.
ATM Fees	NONE	Huntington ATM transactions, transfers, and balance inquiry.
	\$3.50	Each non-Huntington ATM transaction; plus any fee charged by the ATM owner.
	\$1.00	Each Huntington ATM mini-statement.
International Transactions	3%	Fee charged on the amount posted for each debit card or ATM transaction processed in a foreign currency or outside the U.S., in addition to any fee added by a network or charged by an ATM owner.
Excess Debit Fee	\$2.00	Fee for each withdrawal or transfer (excluding ATM transfers, telephone transfers, Internet Banking transfers, and transfers to installment loans) in excess of six (6) per calendar month, if you receive quarterly statements, or six (6) per statement cycle, if you receive monthly statements.
Statements	Free	Have your statement delivered electronically or mailed to you.
Minimum Deposit to Open	\$50.00	Minimum deposit needed to open the account.
Interest Bearing	Yes

2 OVERDRAFT AND RETURN FEES - CONTINUED

Remember, if we decide to waive a fee, the terms of the Account Documents will not change and we are not required to waive that fee again in the future.

ATM & Debit Card Transactions: We generally won't authorize ATM or debit card transactions when you don't have enough money available in your account unless you opt in to overdraft options for ATM and Debit card transactions. Learn more at <https://www.huntington.com/disclosures/REGEOODDISCLOSURE.pdf>

See your Account Documents under "Special Rules for Pending Transactions" for an explanation of how ATM and debit card transactions impact when we charge Overdraft Fees or Return Fees.

Sometimes, even if you have opted out of ATM and Debit card transactions, those transactions may cause an overdraft in your account even if there is not enough money available. In that case, we will NOT charge an Overdraft Fee. As a result, you may incur more Overdraft Fees from us when you opt in to overdraft options for ATM and Debit cards.

Other Types of Transactions: You have the option to request that we pay or return check or ACH transactions when there is not enough money in your Account. This election is separate from your opt-in or opt-out choice for ATM and Debit card transactions.

Remember, the decision to pay, return, or decline any transaction is at our discretion regardless of the elections you make.

24-Hour Grace®: 24-Hour Grace is available for Overdraft Fees and Return Fees. For 24-Hour Grace to apply to Overdraft Fees, on any business day that your account is overdrawn at the end of the day and you incur one or more Overdraft Fees, generally we will waive those Overdraft Fees if by midnight CT of the next business day: a) you deposit enough funds to cover all of the overdrafts and any other transactions that post to your account and b) your account is not overdrawn by more than \$50, except as explained below. Any deposit to cure the overdraft must be made before midnight CT at the end of that next business day.

For 24-Hour Grace to apply to Return Fees, on any business day that you do not have enough money in your account to cover a transaction and you incur a Return Fee due to a returned item, such as a check, we will waive the Return Fee and pay the pending items if by midnight CT of the next business day: a) you deposit enough funds to cover the amount of the eligible returned items and any other transactions that post to your account and b) your account is not overdrawn by more than \$50. Because the items eligible to be returned is in our discretion, not all returned items will qualify for 24-Hour Grace. You can determine which items qualify for 24-Hour Grace on the business day in which you must make a deposit by logging into the online system or call us to understand what items are available for you to cure.

For you to take advantage of 24-Hour Grace, generally your deposit must be enough to cover all of the overdraft and eligible return items (except as explained below) from the previous business day PLUS any other transactions that will post that day. This is because the order in which we process transactions starts with your current day's activity and overdraft or eligible return items from the previous business day are usually processed later in the order. This is why you should remember to take into consideration transactions, such as checks or other debits, that may be posted to your account on the day you make the deposit that will affect the amount needed to take advantage of 24-Hour Grace. We are unaware of these transactions until they are presented to us for payment, and usually that is not until we finish processing after the end of that next business day. This means only you know all of your transactions that may affect the amount needed for 24-Hour Grace to apply.

A deposit that covers only part of the overdrafts or return items may not result in waiver of any fees. If you have overdraft items and returned items that are eligible for 24-Hour Grace, and you deposit funds to cure only the overdraft items (and not the return items), your Overdraft Fees will be waived, but you will be charged a Return Fee. However, if you have overdraft items and returned items that are eligible for 24-Hour Grace, and you deposit enough funds to cure only the return items (and not the overdraft items), you will be charged a Return Fee and Overdraft Fees and we will not pay your return items.

We may remove 24-Hour Grace from your account for unusual circumstances, such as fraud.

TRANSACTION POSTING ORDER

On Business Days, we post deposits and credits first, followed by specific categories of debits, which may include ACH transactions and electronic transactions (such as Debit Card and ATM transactions). Fees and interest (if any) are posted last. Within the specific categories of debits:

- We post electronic transactions in chronological order by using the date and time assigned to the transaction and that date and time could be in a different time zone from where you are conducting the transaction.
- We post other transactions in low-to-high order based on amount within their specific categories.

We try and post debit transactions in the order in which you spent your money. Because the transactions involved in posting order can vary from customer to customer, the description above is generally how we handle transaction posting order. However, we may change our transaction posting order at any time in our discretion without notice to you.
