

## **Allen Edwin Homes**

At Huntington Bank, we see something big happening in Michigan. This is Jim Dunlap. Welcome to Huntington's Best in Business. During the recent housing recession, Michigan homebuilders struggled to survive. But Allen Edwin Homes, based in Portage, stayed the course building homes as they built up their business. And what they're most proud of is that the homes they build add thousands of jobs to Michigan's economy. They've even been able to bring back some of the tradespeople who had left the state. Allen Edwin Homes is now Michigan's largest energy-efficient homebuilder, earning the Excellence in Energy Efficiency award for the last two years, and helping new homebuyers realize their dream. At Huntington, we're big believers in bringing jobs to Michigan. So when Allen Edwin Homes came to us for help, they knew they were getting a bank that would stick by them, every step of the way.
