

## DWELLWORKS

At Huntington Bank, we see something big happening in Cleveland. This is Renee Csuhran. Welcome to Huntington's Best In Business. One of the biggest challenges for any business is finding and retaining employees, and sometimes that can mean relocating key talent. Enter Dwellworks. Founded in Cleveland, Dwellworks brings together knowledgeable, authentic, and innovative people dedicated to providing the world's best relocation support services. Committed to the growth and revitalization of our city, Dwellworks moved their offices from a small space on the east side to the former Woolworth Building, right in the heart of the historic Playhouse Square neighborhood. And as they look to the future, Dwellworks intends to stay close to their roots, close to their customers, and close to their employees. Now that's a commitment to Cleveland. At Huntington, we're big believers in commitment. So when Dwellworks came to us for help, they knew they were getting a bank that would stick by them, every step of the way.
