## **TERMS AND DEFINITIONS**

Nobody likes jargon—including us. There may, however, be some industry-standard terms about HELOCs that can be unfamiliar. So, let's just make things clear from the start.

## PCL, HELOC

At Huntington, PCL and HELOC mean pretty much the same thing and are often used interchangeably. HELOC stands for "Home Equity Line of Credit." It is a line of credit that allows you to access the equity in your home, up to your approved credit limit. PCL stands for "Personal Credit Line." It refers to your specific account and agreement with us that sets out the terms for your home equity line of credit.

### Draw Period and End-of-Draw Date

Every HELOC is divided in to two phases: (a) a draw period and (b) a repayment period. In general, a draw period is the length of time, often 10 years, when your HELOC funds are available for you to use whenever you need, up to the amount of your credit limit. The end-of-draw date is the last date you can withdraw funds from your HELOC. Then, your loan enters the repayment period. Your specific draw period and end-of-draw date will be set forth in your PCL loan agreement.

#### Repayment Period

The repayment period begins at your end-of-draw date. During this period, you no longer have access to your credit line and you begin to pay down your outstanding principal loan balance.

#### Maturity Date

This is when your HELOC is due to be paid in full. You may repay your HELOC balance in full at any time.

## PSF

A Personal Selection Feature, or PSF, is a feature that allows you to fix the annual percentage rate (APR) on all or a portion of your outstanding balance for a certain period of time that you choose.

## See your PCL loan agreement for specific terms, including your credit limit.

## **ACCOUNT INFORMATION**

#### HELPFUL HINT:

Wondering what a PCL is? Can't remember what HELOC means?

HELOC stands for "Home Equity Line of Credit." It is a line of credit that allows you to access the equity in your home, up to your approved credit limit.

PCL stands for "Personal Credit Line." It refers to your specific HELOC account and agreement with us that sets out the terms for your home equity line of credit.

## ANNUAL PERCENTAGE RATES

- **Q:** How is the annual percentage rate on my HELOC determined?
- A: For your Primary Line Feature, the APR is a variable rate and can change as often as monthly. It is based on the U.S. prime rate and the margin for the Primary Line Feature shown on your PCL loan agreement.

For a Personal Selection Feature (PSF), the APR is a fixed rate that is determined at the time the feature is set up. It is based on the term of the PSF that you choose, the index for interest rate swaps published by the Federal Reserve, and the margin for the PSF shown on your PCL loan agreement.

- **Q:** Why did my APR change?
- A: The APR on your Primary Line Feature is tied to the U.S. prime rate. So, when the prime rate changes, your APR changes, too.
- **Q:** How often does my APR change for my Primary Line Feature?
- A: It could change as often as monthly. It all depends on changes to the U.S. prime rate. For your Primary Line Feature, because your APR is calculated using the prime rate, your APR could change monthly or less frequently. A change in your APR is always effective on the first day of the monthly statement period and it is effective for the entire statement period. You can find the first month that your rate changes for your Primary Line Feature on the first page of your PCL Loan Agreement under "Rate Change Begin Month."

## **HELOC FUNDS**

Access to cash. That's why you got a HELOC in the first place. Here's what you need to know about getting and using your funds.

## ACCESS YOUR MONEY

- **Q:** I signed all the papers and closed the loan. When and how do I get my money?
- A: Just use any of these three convenient methods: ······>
- Q: Does my outstanding balance affect my credit score?
- A: Like many lenders, Huntington regularly reports the type of credit accounts you have and your payment history to credit reporting agencies. It's up to the credit reporting agency to determine your credit score, which is an estimate of your credit risk. They rely on a variety of factors to make that determination, and may or may not consider your PCL account, your outstanding balance, or your repayment history.

## **REQUIRED WITHDRAWALS**

- Q: I'm not ready to use my HELOC funds. Is that okay?
- A: Of course. We don't require you to make any withdrawals. Your funds are available when and if you need them until your end-of-draw date. However, annual fees still apply even if you do not make any withdrawals.

## **01** Write yourself a check.

Use the checks you receive by mail to directly pay your merchant, contractor, your child's university, or more.

HELPFUL HINT: Need more checks? Call (866) 921-5871 to order.

### **02** Make a withdrawal.

Use the PCL Access Card you receive by mail to make your purchases, when applicable.

Visit any Huntington branch and make a withdrawal from your PCL account.

Note: You can only transfer funds to a checking account.

## PERSONAL SELECTION FEATURES

When it comes to your money, we believe you should have choices. This is just another way Huntington is looking out for you.

## ABOUT PERSONAL SELECTION FEATURES

- **Q:** What is a Personal Selection Feature?
- A: A Personal Selection Feature, or PSF, is a feature that allows you to fix the annual percentage rate (APR) on all or a portion of your outstanding balance for a certain period of time that you choose. You will have a minimum monthly payment amount for the PSF in addition to the minimum monthly payment amount for the general account balance. A fee will be charged for each transaction converting an amount from a variable rate to a fixed rate in CO, IL, KY, MI, MN, OH, PA, and WI, and the fixed rate will always be higher. Please see your PCL loan agreement for more details.
- **Q:** Is a PSF a one-time event?
- A: You may apply for more than one PSF throughout the draw period of your HELOC.

## **APPLICATION AND FEES**

- Q: How do I apply for a PSF and is there a fee?
- A: Visit a Huntington branch location and talk with a personal banker. You and any co-borrowers on the account will need to sign some documents in person. Depending on the state you live in, there is a setup fee for each PSF.

## **CURRENT ANNUAL PERCENTAGE RATE**

- Q: What's the current annual percentage rate for a PSF?
- A: It is a fixed rate, and is based on an index and margin. Your Huntington personal banker can look at your PCL loan agreement, talk about current rates and explain your options.

## **MAKING A PAYMENT**

## **Q:** What is my monthly payment?

- A: That depends. If you have an outstanding balance, you'll have a minimum monthly payment. Your minimum payment will fluctuate each month during the draw period because the payment is based on a few different factors, including:
  - **01** The total amount of funds you've withdrawn or transferred
  - **02** The number of days in your billing cycle
  - **03** Changes to the Prime Rate
  - **04** Personal Selection Features (PSFs)
  - **05** Over-credit-limit amounts
  - **06** Annual fees or other charges
  - **07** Past due amounts on your account
- **Q:** When is my monthly payment due?
- A: Your payment is due on the same day every month. And remember, at closing you picked the day of the month that works best for you.

## **Q:** Can I change my payment due date?

A: No. But, if you need to make payment arrangements, please visit a branch location to speak to a Huntington personal banker or contact us at:

## CHANGE, REFINANCE, OR PAY OFF

Things can change. And when they do, we want you to be ready. Here's what you should know about what could affect your HELOC.

## **CREDIT LIMIT CHANGES**

- Q: Can I change my credit limit?
- A: An increase in your credit limit requires you to complete a new application. To start a new application, please call our Customer Solution Center, visit a branch location, or apply online.

Customer Solution Center PHONE: (866) 921-5871 HOURS: Monday-Friday, 8:00 a.m.-8:00 p.m. ET Saturday, 8:00 a.m.-2:00 p.m. ET Sunday, Closed

## **REFINANCING A HELOC**

- **Q:** What are some reasons I may want to refinance my HELOC?
- A: There are a number of reasons you may want to refinance your HELOC, including:
  - **01** Increase credit limit
  - **02** Divorce from a co-borrower
  - 03 Reaching the maturity date
  - 04 Need for new terms and conditions

## **PAYING OFF A HELOC**

- Q: What is my payoff amount?
- A: Your outstanding balance and your payoff amount are usually not the same because of interest, fees, or other charges. Be sure to check your PCL loan agreement for the terms and conditions of your HELOC. To get your payoff amount, please call us at (866) 921-5871 or visit a branch location.

## **CLOSING A HELOC**

- Q: How do I close my account?
- A: Please contact the Customer Solution Center at (866) 921-5871 for a payoff quote and instructions on how to close your account.

#### HELPFUL HINT:

Did you know you have the option to leave your HELOC open for the remainder of your draw period so you can have immediate access to funds if you need them? Please note that an annual fee may apply as long as your account remains open.

## **SELLING YOUR HOME**

- **Q:** I'm moving. Can I keep my HELOC even though I no longer own the house?
- A: No. When you sell your home, you must pay your HELOC in full. Most homeowners arrange to pay off their HELOC at closing on the sale of their home. If you take advances on the HELOC after a payoff statement is obtained, the payoff amount will be insufficient and may affect the release of the mortgage lien on the home.

## EXTRA HELP

Questions about tax documents, fraud, errors, or how to contact us? You're looking in the right place.
